CHRISTMAS AND HANUKKAH IN JULY!

That's right – it's time for Needlepointers and Knitters to start thinking about Christmas and Hanukkah projects.

Remember the time crunch from last year?

This year, start early and enjoy the process. New Christmas ornaments and holiday canvases are already here!

NEW ARRIVALS

I've just returned from Market and bought so many new and wonderful things for you. Lots of new arrivals coming soon – canvases, yarn, pattern support and some things to help you get organized so that your knitting and needlepoint projects are even more enjoyable.

JUST ARRIVED

- **Classic Elite's** Soft Linen and Premiere (shown right)
- A new Perle cotton for needlepointing from **Presencia** in size 3 and 5. We have all of the solid as well as the variegated colors. It is a fine, lustrous thread wound in a ball. It's been getting some great feedback so we thought we'd like to see it for ourselves!
- **Twisted Sisters** - Mirage, Daktari, Zazu
- **Aslan Trends** - Class, Glaciar del Cielo (shown right) and Artesenal.
- **Artyarn's** new Beaded Rhapsody, Beaded Mohair and Sequins
- **Rainbow Gallery** - All of their new colors and their new Bargello books.
