**[New Arrivals for Knitters](#)****Classic Elite**

Thanks to all of you who attended the Classic Elite Event last month. It was enjoyed by all of us.

The yarn that we saw has just arrived in the shop and we will be unpacking it this week. It includes Nordique, Chesapeake, Montera, Portland Tweed and more colors of Fresco and Lush. The patterns in their books (including Jared Flood's *Brooklyn Tweed*) are so wearable and stylish that we sold out of the books; however, more have arrived!

[New Arrivals for Needlepointers](#)

We continue to get canvases almost daily. This past week we received two of my new favorites. One is the greatest Frog Growth Chart I have ever seen and the other is the Elephant with the Banner.

Also, just received Rishfeld's new beautiful paisleys, new Patty Paints and Melissa Shirley designs. *Please stop by the shop to take a look!*

[Visit our Online Photo Gallery](#) to view the latest knitting and needlepoint projects created by our talented customers and teachers.

Shirley finished these and more this summer. Isn't her work beautiful?

Jon and Kerry Austin needlepointed this incredible rug for their granddaughter.
They started with a large canvas and charted this themselves.
What teamwork...and they're still married!!

Please continue to bring your completed projects to the shop so we can take your photo for our gallery. You can also [e-mail us](#) your photos.
